INVITATION Annual General Assembly (AGA)

The South Hull Annual General Assembly for Parents' evening will take place on **Monday, September 14th at 6 pm** in our back yard. If it rains, we will host the event on Thursday, September 17th at the same time and place. ***This evening is intended for parents only.*** Given the Covid 19 situation, space will be limited.

Elections for Parent Representative to Governing Board: At the AGA, parents will be invited to assemble outside to meet the school's administration and to elect representatives to the school's Governing Board from among the parents in attendance. The Governing Board is comprised of parents, teachers, support staff, the principal and community representatives. The purpose of the Governing Board is to make decisions that impact our students. Meetings usually take place one evening per month. If you are interested in becoming involved in your child's school by being part of this organization, please ensure that you attend the Annual General Assembly. All parents present will be able to nominate themselves or another parent, and then vote for the candidates of their choice to fill the vacant positions that are up for election this year.

Elections for Representative to Parent Committee (part of the AGA Annual General Assembly)
Once Governing Board parent representatives are elected, all parents attending the AGA will elect a representative and an alternate to the School Board's Parent Committee from among the parent representatives on Governing Board.

Parent Participatory Organization (part of the AGA)

Any parents who are interested in forming a Parent Participatory Organization are invited to submit their names and project plan during the meeting.

Special Education Advisory Committee (part of the AGA)

Parents who wish to take part in the WQSB School Board's Special Education Advisory Committee (S.E.A.C.) will also have an opportunity to submit their names for consideration. Interested parents must have a child with an Individual Education Plan (I.E.P.)

Home and School Committee

Finally, a representative from our Home and School committee will be on hand to explain all of the wonderful things this committee does to support the school. They will take names of anyone interested in joining the Home and School.

Looking forward to seeing you all there!
